The mission of **Nonprofit Management Solutions** is simple— *to help people in nonprofit organizations to achieve their missions*. Membership in NMS is an investment in your organization's most important resource—people...including your staff, board and volunteers!

We invite you to join **Nonprofit Management Solutions** so that everyone on your team may learn, share, and grow.

Join the Community...

Community Membership is perfect for organizations that value being part of the nonprofit community and having access to valuable resource for their organization's people.

Sweet Deal Subscription is ideal for organizations that value employee engagement and professional development by participating in regular workshops, trainings, certificate programs, and special events throughout the year.

Individual Membership is best for individuals that value professional development, peer connections & networking, and having access to a variety of nonprofit resources.

Take advantage of over 200 workshops and special programs at a discounted member rate and help the sector too. It's through the support of our members that we are able to make the following services available to the region's nonprofit community:

- NMS Resource Library
- Foundation Center Directory Online
- NPWorks.org, the region's #1 resource for finding top talent
- Compensation & Benefits Survey

Visit www.npsolutions.org/membership for more info on membership.

Here's what is being said about our workshops:

"Great class – I am registering all of my staff for the next class."

"Being a better coach with my team will help streamline all the processes."

"It will move us forward."

"This will help our mission because we want to keep volunteers coming back."

"AMAZING! Love, love, love all the information."

It will help the board understand the budget."

"Love the exercises, really allows time to evaluate one's own situation."

"Excellent! One of the best sessions in my overall experience."

The mission of **Nonprofit Management Solutions** is to help people nonprofit organizations to achieve their missions.
