ABOUT US

Our mission is to cultivate nonprofit organizations through connection, innovation, and investment in the whole person.

Nonprofit Solutions has been providing **educational training and organizational development** to nonprofits throughout Southern California since 1991, training over **100,000 nonprofit practitioners** to run hundreds of nonprofit organizations more effectively during that time.

Nonprofit Solutions is the **hub** to connect nonprofits to the information, resources, and referred partners required to grow your mission.

Our **innovative solutions** combine professional development, consulting and coaching to strengthen organizational effectiveness and deepen mission impact.

The core of this work is providing high quality, affordable services to the community where you can **learn, connect, and grow.**

Our clients are numerous and **diverse**, representing emerging as well as established nonprofits ranging from social service agencies to museums, arts and public service organizations, educational institutions, neighborhood-based health and human service providers and many more.

OUR CORE SERVICES
